

The Alumnis Multi Academy Trust Vision: Believe - Belong – Become

Believe	Belong	Become
We share the belief that collaboratively, Alumnis will inspire a passion for learning, encouraging individuals to reach beyond their aspirations, safely taking risks and expecting high standards in all they do.	Belonging to Alumnis puts our schools into the very heart of the community, local and global. We seek to understand, respect, and celebrate the differences of our world. We will work as a team to drive success for all.	Becoming successful, educated, confident and caring individuals, we will have the highest aspirations of ourselves and others, becoming independent and autonomous lifelong learners.

St. Helen’s Church of England School Vision: Learn to **LOVE**, love to **LEARN**, aspire to **SERVE**

Believe	Belong	Become
<p align="center">Learn to Love</p> <p>At St. Helen’s we <u>believe</u> love comes first. It is the foundation of who we are, and all we do. We teach children how to show love through their words and deeds, treating everyone with dignity and respect and valuing and celebrating the uniqueness of each individual made in the image of God and challenging social injustice as advocates for those without a voice. We teach children to show love through forgiveness and reconciliation.</p>	<p align="center">Love to Learn</p> <p>We <u>belong</u> to a community of learners who ‘spur one another on toward love and good deeds’ (Hebrews 10:24). We aim to make learning as irresistible as we can so that children find joy in their learning and strive to excel in all they do. We develop children’s wisdom, knowledge and skills – inspiring a love of learning that goes beyond knowing facts and being able to carry out tasks to developing the independence and resourceful so that children ‘know what to do when they don’t know what to do’; develop character that takes them beyond the school gates and helps them to make good and wise choices when faced with tough situations. We promote the value community and living well together. We recognise the interconnectedness of all life and the importance of belonging, relationships and stewardship.</p>	<p align="center">Aspire to Serve</p> <p>We aim for children to <u>become</u> courageous advocates who use their learning to serve and make a positive difference in the world. We hope to instil in children a sense of hope and aspiration for a healthy and happy future. We help them to develop the resilience to cope when things and people go wrong and the ability to repent, forgive and reconcile, showing compassion and generosity. We aim for children to develop virtues of good character such as wisdom, courage and compassion so that they may become aware and responsible people who aspire to serve.</p>
