

St. Helen's Church of England School Newsletter | 2nd July 2021

Dear St. Helen's families,

It has been another exemplary week at St. Helen's with excellence demonstrated in every classroom, every day!

You will have received my letter about our staffing structure for next year. I am sure that you will be as excited as we are about the new mini school structure that will truly power up our classrooms, providing more qualified teachers and strong distributed leadership across the school. We can't wait to get started!

The four cornerstones of C360 this week...

Academic

Year 6 have been learning about the rules of sonnets. The children have been building a bank of figurative and descriptive language to construct their own poems.

Character

Several members of Year 4 showed the moral virtue of generosity by sharing their money with their friends so they could buy cakes at the cake sale.

Community

Samuel, Sam, Freddie and Tommy from Year 4 were Inspiring Volunteers this week and raised an incredible £105.55 for Harbour by holding a cake sale.

Innovation

Year 4 learned how to use Google Classroom on their Chromebooks this week. Let the collaboration begin!

I hope you have a great weekend. Please take good care.

*Inspiring Change Maker
of the Week is Miss Slate*

Miss Slate leaves us this week after a year of hard work training to become a qualified teacher. She has certainly inspired Year 3 this term in so many ways, especially by bringing in all sorts of weird and wonderful objects for a class science museum, and of course with lots of outdoor learning.

Stop the press!

This week our School Council Senior Leaders were able to hold a Zoom call with Sharon one of St. Helen's Edukid sponsored students in Uganda. It was great to be able to talk and build our global links.
