

Inspiring Changemakers:

This half term we have been thinking about the virtue of Community.

Each month, a different group of children from Reception to Year 6 enjoy visiting the residents of Kenwith Castle to sing, chat and read with them.

Community updates and reminders:

Village Fete - join us on the afternoon of Saturday June 10th from 2pm.

Our school choir will be singing at 3:30pm.

Key learning this half term:

- In Reception, the children will be learning about the creation story through the Arts
- Year 1 have been finding out about special places of worship
- Year 2 are finding out about sacred buildings
- Year 3 are learning about what kind of world Jesus wanted
- Year 4 will be learning about Jewish family life and festivals
- Year 5 are exploring differences and similarities between Christian and Humanist beliefs
- Year 6 are exploring Christian ideas about utopia and dystopia

What's new? The children in Year 5 recently spent 4 days at St. George's House - a Christian outdoor centre enjoying God's wonderful creation.
