

## Inspiring Changemakers:

These character superstars joined me for hot chocolate and biscuits this week to recognise their contribution to our community. They really do help make our vision a reality!

## What's new?

We are thrilled to welcome Rev Jules Harris to our team. She is the new team rector for Torrridge District Mission Community and will be in school every Thursday to lead collective worship and provide chaplaincy to staff and pupils.

## Community updates:

Please join us on Friday for a village walk to celebrate the Coronation of King Charles III. We will bring joy to the community in a mass parade of red, white and blue leaving school at 2pm. Please bring a flag to wave and come wearing your most royal garb! There will also be a raffle "Fit for a King" so please see a member of staff to grab some tickets.

## Key learning this week:

As always I have been inspired and amazed by the achievements of the children (and the staff who go above and beyond to support them). The Reception children are always so ready to learn and Y1 are showing so much maturity as they approach Y2. The Lego workshops for Y2 and Y3 were inspirational and so creative. Mrs Larque running to tell me that Y4 were "really engaging with their enquiry" was another massive high point! Y5 had their final sessions with Beaford Arts and the skills and knowledge they have acquired over the 2 years are incredible.

Year 6 continue to amaze me with their aspiration and motivation in the lead up to the SATs tests - a wonderful opportunity to show exactly what they have achieved in English and Maths over the last 4 years. I have also loved teaching them RE and seeing the links they make between their learning in this subject and their wider enquiry.

We are really starting to see the impact of our "Daily Dos and Weekly Wants" across the school now. It really is testament to the power of little and often. If you would like support with understanding how this can help at home, please ask one of the team.
