

### Inspiring Changemakers:

Thank you to Mr Kent and Mr Brown who gave up their lunch time to have soggy sponges chucked at their heads to raise money in advance of tomorrow's fete!

I suspect Mr Brown is regretting teaching everyone to throw so well!

Thanks also to everyone who donated chocolate for the chocolate tombola - it is always one of the most popular events at the fete and raises lots of money!

### What's new?

I was really excited to attend the launch of the new Devon and Torbay Agreed Syllabus for Religion and Worldview. This is a revised edition of what we have had in place for the last 5 years and I have been lucky enough to have been involved in this version.

It places Worldviews at the heart of the subject and involves a multi-disciplinary approach to ways of knowing about what people believe. Our children excel at RE at St Helen's and I'm excited for the next part of the journey.

### Community updates:

We have two really exciting events coming up this week. Firstly, the Village Fete, which takes place tomorrow on Saturday 22nd at 2pm. There will be lots of things to do - games, stalls and more. Please support this fantastic event, which raises vital funds for Friends of St Helen's.

We also have our sports day on Tuesday 25th, starting at 1:15pm. Please bring picnic chairs or blankets and prepare to cheer the fantastic athletes on very loudly! Also, a reminder that if you would like to come to our Welcome Back BBQ on 9th September, please complete **BBQ Catering Form**.

### Key learning this week:

A huge well done to all the children on their fabulous progress this year.

The final assessments have all been completed and we are really proud of what they have achieved.

Of course, the year is far from over so attendance is still very important as it is one of the biggest factors in attainment and progress.

We do however have lots of lovely learning opportunities coming up that allow us to make the most of our wonderful environment - keep an eye on Seesaw!
