

Inspiring Changemakers:

Year 4 had a visit from some of the elderly residents of Kenwith Castle, where they enjoyed playing dominoes and chatting together. The children demonstrated wonderful patience, kindness, and respect. We are very proud of our growing relationship with Kenwith Castle and it is wonderful to witness the building of meaningful connections across generations.

Community updates:

FOSH's Santa Fun Run will be taking place in the school day on Tuesday 3rd December. All children have been given a fundraising sheet to take home.

We've already received some kind donations for the Christmas hampers. Please send all donations in by Friday 22nd November. If you would like a stall at our Christmas Fayre this year, please contact Mr Kent.

Key learning this week:

This week in science, Year 1 had a fantastic time building creative and sturdy shelters to protect Incy Wincy Spider from the rain! Year 2 showed incredible creativity this week as they experimented with charcoal.

What's new?

All of the children in KS2 have taken part in the TTRS England Rocks Competition this week, demonstrating excellent motivation as they worked hard to improve their times tables knowledge and speed.

We've had a focus on the PANTS rule in PSHE, to remind children how to keep themselves safe. Please continue to talk about this at home.
