Inspiring Changemakers:

The Year 6 netball team played at Langtree School, on Tuesday, against Torrington Bluecoats. The team showed great skill and teamwork throughout the entire game. Goals were scored by Cassidy and Lilly, who managed to score four goals in one 6 minute quarter! The final result was 5-0 to St Helen's!

Community updates:

We were overwhelmed with the generosity of your donations to Harbour - thank you all! The staff at Harbour are extremely grateful and will be using your donations to support our local community.

FOSH are busy preparing for our yearly Christmas Fayre at Bideford Pannier Market on Friday 13th December. Please save the date!

Key learning this week:

Year 4 and Reception had a fantastic day this week, taking part in a music workshop with Kip Pratt. Reception played games, pretended to be animals, learnt new songs and explored lots of different instruments. Year 4 practised songs with actions, using a variety of instruments.

What's new?

Phoebe, in the kitchen, has been working hard to create a delicious new lunch menu. The children are loving the new menu chalkboards with today's lunch choices. Phoebe displays different fruits and vegetables every day to help the children learn about a variety of fresh produce. Thank you for all of your hard work, Phoebe!

They demonstrated excellent perseverance when learning to perform a round, working on their timing and teamwork. Both classes put on an incredible performance to their family members and demonstrated fantastic confidence!
