

Inspiring Changemakers:

Our children love looking after the grounds during their 'groundforce' sessions with Mr Marlow, one of our dedicated volunteers.

It was Year 4's turn last week. They spent Friday afternoon clearing the leaves from around the school grounds, making the school a safe and tidier place for us all. Thank you for being inspiring volunteers!

What's new?

Phoebe, in the kitchen, has started to serve school lunches on china plates. She hopes that this will give the dinner hall a homelier feel and the children will take greater care of the equipment.

We have some more exciting news in our staff team - Miss Jennings is expecting her first baby! We hope you join us in wishing her congratulations.

Community updates:

A reminder that it's the FOSH Santa Run on Tuesday 5th December - children are welcome to come in in festive clothing with suitable running shoes!

Thank you for your clothing donations this week. All of the money from Bags2School will be used by FOSH to improve our school.

Key learning this week - from Mrs Bolton, our RE lead:

In school, over the last few weeks, we have been reflecting on our focus virtue of Generosity. In Collective Worship, Reception helped us think carefully about ways that we can continue to support charities like Edukid and Harbour as inspiring volunteers and fundraisers.

Our vision of 'Love, Learn, Serve' and our core Bible verse - **Hebrews 10:24 'Let us consider how to spur one another on to love and good deeds'** is central to all that we do as changemakers. Exploring thoughts around generosity at home can help continue positive habits in your family. Ask your child how they could show generosity and offer their time or talents to help you at home.
